Yesterday (Tuesday) 11 gentle saints, moms and dads, grandma's and grandpa's, went to visit Abortionist Mila Means at her home. We went to share with her the Good News of the Gospel of our Lord. We plead with her that - *"it is appointed unto man once to die and after this the judgment."* He. 9:27. That she does not want to face judgment day with the blood of innocents on her hands. *That God hates the hands that shed innocent blood.* Pr. 6:17. That the salvation of our Lord is available to all who will repent and call upon Him.

The very next day (today) Rachel Maddow did a segment on our visit. Rachel Maddow and Co. are livid calling the Gospel of our Lord and His Church...intimidation. Again, the darkness simply can not comprehend the light.

Many of us are familiar with Ep. 5:11 but have you ever looked at v 12?

Ephesians 5:11-12 *Have nothing to do with the fruitless deeds of darkness, but rather expose them.*

^{v 12} *It is shameful even to mention what the disobedient do (abortion) in secret. Justice can never allow the shedding of innocent blood to be done in secret.*

At the end of the segment Maddow "saluted Means for taking over Tillers "mantle."" She then stated, *"...it is a sign of bravery against a movement that is getting its way through force and it is not supposed to work that way in America."*

Rachel, we could not agree more!

The violence and force that you admire, perpetuate, and call "brave" are against the most defenseless of our society, our young children in the womb. Abortionists and abortion supporters are the most violent people in America today. You Rachel are a hypocrite.
